For directions, please visit the [University of Cincinnati website](#). The Meeting will be held in Swift Hall. Street parking around the campus is generally free on weekends, and garage parking is available for a fee. There is a complimentary shuttle from the hotel.

One hotel is on the campus: the [Marriott Hotel](#). According to Tom Polger of UC, "anyone who calls should ask for the UC rate, and explain that they are attending a UC event. This should not be questioned, but if it is then they should give me as a contact person: Tom Polger, Philosophy Department, 556-6328. This set-up has worked smoothly in the past. (The hotel is about a one block walk from the intersection at the top right corner of the map.)"
